As the founding family of El Centro Inglés, our mission is to create an environment where a collective spirit is dedicated to learning and continuous improvement—true to our motto, **Lifelong love of learning**. We strive to provide a place where students feel happy and inspired, receiving an education rich in opportunities that empower them to reach their fullest potential.

Your children are the future, and a significant part of shaping their character and interests in life will stem from everything we do here—beyond the formal curriculum.

> Welcome to English Centre family

Mrs. L. M. Randell

Our founder, Linda M. Randell, was the visionary behind our motto, **Lifelong love of learning**, and a pioneer of an international, creative education rooted in critical thinking and inquiry.

Senior Leadership **Team Welcome**

Curiosity and the desire to learn are the foundations upon which we build.

Our curriculum is diverse, stimulating, and challenging, yet flexible enough to ensure that every student is included and equipped with the tools to succeed, respecting their individuality.

We are proud to be part of something so special.

Growing together

SHAPING A Sustainable and purposeful

future

FOSTERING A Lifelong love of learning

To provide an extensive and excellent national and international curriculum, enriched by ECI projects, so that our students, endowed with a positive attitude, self-confidence, and fluency in the use of the language, forge leadership qualities and develop their potential, strengths, and interests, driven by their love of lifelong learning. Our

demanding, committed staff, part of a caring, structured, disciplined, and creative community, work alongside families to develop collaborative and valuable citizens in a diverse world, representatives of ECI's ethical principles, which will distinguish them in their personal, social, and professional lives.

Our students will develop strong competencies and achieve outstanding academic results. They will cultivate independent, critical, and reflective thinking, becoming resilient individuals who are actively engaged with society and the environment. With a deep understanding of diverse cultures, they will embrace and promote diversity.

We are committed to meeting the expectations of our students and their families through a com prehensive and enriched curriculum,

enhanced at all levels with our own specialised programmes. Our approach, recognised both nationally and internationally, is built on a personalised methodology and delivered by a highly skilled staff dedicated to continuous professional growth and excellence.

Our goal is to strengthen our reputation among stakeholders, establish ourselves as a leader in the national education sector, and expand our presence on the international stage.

INTEGRITY

 Being true to our commitments, acting and demonstrating behaviour that inspires our students and the rest of the community.

RESPONSABILITY

- Shared responsibility and commitment between El Centro Inglés, Staff, Families, and Students for the education of the latter.
- Responsibility towards the people of El Centro Inglés.
- Social and environmental responsibility and sustainability.
- Responsibility in the adaptation and innovation of ECI to ensure the best preparation of our students and the future of our community.

- Independent thinkers who cultivate a critical and creative spirit in life and research
- Values-based education that fosters integrity and responsibility
- Students equipped with essential skills and knowledge for lifelong success
- Meaningful, experiential learning, with language learning playing a fundamental role.

Distinctive Features

- A family-oriented school with an international outlook and high levels of satisfaction
- A dedicated and highly skilled staff, committed to continuous professional development
- Happy, responsible, and independent students, nurtured to think critically and creatively
- An ever-evolving educational project, delivering outstanding results

Pupil Profile as a Global Citizenship

PUPI Drofile

COMMUNICATION

I am eloquent and able to communicate in different languages with an open mind.

REFLECTION

am think critically, creatively and independently.

RELATIONSHIPS

I interact with others and know how to work as a team.

AUTONOMY

I have acquired hard skills, have daily work habits and I am aware of my capabilities and possibilities.

I have healthy habits, put into practice the values of Human maintain an active commitment to society and the environment.

Educational **Project**

Our Educational Project, founded on academic excellence and personal development, is designed to nurture independent thinkers and future leaders. Its primary goal is to shape a Student Profile that embodies the qualities of global citizenship, equipping students with the skills and mindset needed to thrive in an interconnected world.

Academic Leadership

The depth of our curriculum, the ability to engage every student, and the collective passion for education among our dedicated staff form a powerful combination. This ensures that our students receive an exceptional learning experience that prepares them for life.

ECI Pupil Values

Our ECI Pupils' Values shape the behaviour and mindset of every student, fostering personal growth and guiding them towards becoming responsible Global Citizens.

RELATIONSHIPS

Human Excellence

At The English Centre, the well-being of our students is at the heart of everything we do.

It all begins with a warm, family-oriented environment in the Early Years, where children are encouraged to enjoy their childhood without rushing to grow up. This is a precious time when imagination knows no bounds.

How do we teach?

At ECI, we believe that new concepts are best learned, understood, and retained through a practical and active approach.

Our goal is to equip students with the skills and knowledge they need to take ownership of their learning journey and shape their own future.

Curricular project that builds the future

Preparing today's leaders for tomorrow

EARLY YEARS

At this stage, teaching and learning are developed within the framework of the **British Curriculum**, with full immersion in the **English language**.

JUNIOR SCHOOL

Junior School follows a National Curriculum that is complemented and enriched with an International Curriculum certified by CAMBRIDGE ASSESSMENT.

SENIOR SCHOOL

At this stage, we continue to enhance the Spanish Curriculum and provide students with a broad international perspective through a curriculum designed by ECI (Bespoke International Curriculum). Currently, we offer preparation for the IGCSE (International General Certificate of Secondary Education).

SIXTH FORM

In Sixth Form, there is excellent preparation for the national curriculum plans, endorsed by the PEvAU, which is further enriched with an extensive international vision and a bespoke international curriculum. We highlight the upcoming implementation of the International Baccalaureate (IB).

Leadership and pupil voice

Pupil Leadership

We encourage students to express their voice and develop leadership skills by taking on responsibilities, participating in various committees/workshops, or being part of the School Council.

Our values are who we are

more clubs and workshops

Houses

Peer learning is essential for students' development.

To promote it, we use the Houses system, a well-established educational model in English-speaking countries. Houses encourage collaboration among students of different ages, with older students serving as role models while leading activities. This experience helps them build confidence, leadership skills, and empathy.

For younger students, interacting with older peers is highly motivating and provides personalised attention that positively impacts their growth and development.

ECI Global Challenge

A Programme of Personal Development, Linguistic and Cultural Immersion to Enhance Global Citizenship Students, in different year groups, have the opportunity to enjoy a bespoke programme at our family residence for several weeks.

During this period, thanks to their attendance at a school in Wales where they continue developing their curriculum, the objectives of the Student Profile are complemented with activities, challenges, and skills for personal growth.

ECI Global Challenge Pioneers

International Experiences

Family Environment

The moment you step through the entrance, you can sense that something special awaits. The ECI community is at the heart of our school—a close-knit, supportive, and welcoming environment where students and staff thrive together, and families are always valued.

Throughout the year, we organise a variety of events where families actively participate in classes, activities, and workshops, sharing in their children's learning experiences. It is a truly family-centred environment, where students proudly call the school their "home" and where the ECI spirit is genuinely embraced by all.

Pride of Belonging

Our **IDENTITY** project is at the heart of our school, with a wide range of activities designed to strengthen students' and the community's sense of belonging.

With the same dedication that began in 1969 with a small nursery, we have grown into a large, united, and close-knit family. We take immense pride in our Welsh roots, a legacy of our founder, Mrs Linda Randell's vision.

Welsh traditions are deeply woven into our educational community. We celebrate them through events like the Eisteddfod, our Houses system, and our beloved mascot Dewi—a little Welsh dragon who loves spending time with our Early Years students. Additionally, our residence in Wales offers exclusive cultural immersion programmes, allowing ECI students to experience Welsh heritage firsthand.

Family Testimonials

Commitment to Society

COMMUNITY ENGAGEMENT

We organise open talks for the local community, featuring education professionals who share their expertise and experiences.

UNIVERSITY WORKSHOP

An educational event featuring over thirty national and international universities, as well as vocational training programmes, aimed at guiding students and their families through their academic future.

COMPETITIONS LITERARY AND SCIENTIFIC

LMR Sccholarship

With a strong commitment to giving back to society and in honour of our founder, we offer several internal and external scholarships each year. These scholarships are designed to promote the ECi Pupil Values among both students and staff.

- IMR Scholarship
 - An internal and external scholarship for Sixth Form, currently available to Year 11 students.
- IMR Pupils Travel Scholarship
 - An internal financial scholarship that enables students to embark on a culturally enriching trip.
- **★ LMR Pupils Community Award**
 - An internal scholarship awarded to an association or NGO where the student has previously contributed.
- **Service** LMR staff Community Service
 - A scholarship supporting an association or NGO where staff take the lead in a community support project.

Services

Dining Hall

Our dining service plays a vital role in supporting the social, emotional, and personal development of our students, tailored to their stage of maturity as part of our Educational Project.

We have our own kitchen, where we prepare up to nine different menus daily, catering to students with allergies and food intolerances. Each month, we introduce innovative dishes from Spanish cuisine, our

own original creations, and international recipes. These are thoughtfully coordinated with classroom activities to make dining a unique, enjoyable, and educational experience.

As part of our holistic approach to education and to promote healthy habits, we offer:

Healthy Living Environment - Workshops on nutrition and healthy eating habits. Social Living Environment - Workshops on

as a school community.

School Transport

The English Centre provides families with a network of eight bus routes, ensuring students from across the Bay of Cádiz can access our educational model and be part of the ECI Community.

School Supplies

The Centre provides students with all necessary school supplies and access to educational platforms required for daily classes. Additionally, families have the option to purchase books and digital devices through the school.

Library and Other Spaces

The library is a dedicated learning and reading space that offers a variety of activities, workshops, talks, and competitions aimed at shaping students' personalities and fostering a lifelong love of reading.

Shop

The ECI Shop, located within the Centre (entrance via Reception) and available online at tienda@elcentroingles.es, provides the mandatory school uniform for all stages.

We also offer a selection of optional accessories to meet families' needs.

Morning Classroom

To support families' daily routines, the Morning Classroom is available from 8:00 am.

Family Support

This service manages and responds to general requests, as well as those requiring special attention beyond academic or administrative matters. Families can contact SAF via:

Contacto con SAF:

- ECINET The internal platform for direct communication with the Centre.
- Phone 956 850 560.
- In person By visiting the Centre.

Healthcare

The healthcare service provides support to students and staff throughout the school day, maintaining strict records of allergies and food intolerances.

Our healthcare staff do not prescribe or administer medication unless explicitly authorised by the family and discussed with them, or if the medication is provided by the family.
