

EDUCATIONAL SUPPORT AND HOLISTIC DEVELOPMENT

THE ENGLISH CENTRE

EDUCATIONAL PROJECT (EXCELLENCE AND WELLBEING)

At El Centro Inglés, we are committed to providing Individualised Educational Support that fosters each student's academic, personal and socio-emotional development.

Advanced Pedagogical Approach

- An enriched curriculum based on the "Breadth & Depth" approach.
- Meaningful, cross-curricular and experiential learning across all subject areas.
- HTQL (High Quality Teaching and Learning) methodologies to ensure effective differentiation and successfully address diversity within the mainstream classroom.

Skills for Life (Leadership and Resilience)

- Early Years: Delivered through the PSED programme (Personal, Social & Emotional Development).
- Junior and Senior: Delivered through the PSHE programme (Personal, Social, Health & Economic Education).
- Active training in: emotional education, critical thinking, conflict resolution, self-awareness and personal leadership.

EDUCATIONAL ENRICHMENT AND TALENT DEVELOPMENT

Initiatives designed for students with high intellectual, social, artistic or creative potential
